

for the net book value of the assets at the time of closing.

Any person desiring to be heard or to make any protest with reference to said application should on or before June 6, 1997, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and § 385.214) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the pretestants parties to the proceedings. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein or if the Commission on its own review of the matter, finds that a grant of the certificate for the proposal is required by the public convenience and necessity. If the Commission believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for NGT to appear or be represented at the hearing.

Lois D. Cashell,

Secretary.

[Docket No. MG97-13-000]

Northwest Pipeline Corporation; Notice of Filing

May 19, 1997.

Take notice that on May 8, 1997, Northwest Pipeline Corporation (Northwest) filed revisions to its standards of conduct under Order Nos.

497 *et seq.*¹ and Order Nos. 566 *et seq.*² Northwest states that it is revising its standards of conduct to incorporate the changes required by Order Nos. 566 *et seq.*

Northwest states that copies of its filing have been served upon Northwest's customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 or 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 or 385.214). All such motions to intervene or protest should be filed on or before June 3, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Lois D. Cashell,

Secretary.

Federal Energy Regulatory Commission

[Docket No. CP97-524-000]

William Natural Gas Company; Notice of Request Under Blanket Authorization

May 19, 1997.

Take notice that on May 15, 1997, Williams Natural Gas Company (WNG), P.O. Box 3288, Tulsa, Oklahoma 74101, filed a request with the Commission in Docket No. CP97-524-000, pursuant to Sections 157.205, 157.212(a), and 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to install a delivery meter for Western Resources, Inc. (WRI) and to abandon in place by sale to WRI approximately 5.2 miles of the Riverton 2-inch lateral pipeline, domestic meters, and other equipment all located in Cherokee County, Kansas authorized in blanket certificate issued in Docket No. CP82-479-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

WRI proposes to install a new domestic style positive meter setting at the site of WNG's high pressure regulator in Section 30, Township 33 South, Range 25 East, Cherokee County, Kansas. After the new meter is installed, WNG proposes to abandon by sale in place to WRI approximately 5.2 miles of the Riverton 2-inch lateral pipeline (Line FE) beginning in the Northwest Quarter (NW/4) of Section 30, Township 33 South, Range 25 East, and ending in the Northwest Quarter (NW/4) of Section 29, Township 34 South, Range 25 East, Cherokee County, Kansas, the domestic meters, and other equipment. In the past WNG has measured gas on this line through domestic meters.

The total annual volume of gas currently delivered through the thirty-nine (31) domestic meters is 3,103 Dth with a total peak day volume of 34 Dth. WNG states that it does not anticipate any change in delivered volumes as a result of the installation of the new meter setting.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized
